Primitivo Paolo Leo, Italy (organic) £6.40/£26.00

Dark, rich, and silky with intense notes of dark fruits and spice. A superstar not to be missed.

Sparkling

Bottle

Grillo, Santa Tresa (Organic) Italy £28.00

Grillo shares a lot of similarities with Chardonnay which makes it perfect for sparkling wine. Think of a fuller flavoured and richer Prosecco from the South of Italy.

Crémant d'Alsace, Saint Remy France £32.00

An organic and biodynamic treasure. Blend of Chardonnay and Pinot Noir made in the traditional Champagne method. Put this next to any of the old guard and you'll be amazed.
